

# Care Provider Training Opportunity

Kansas | Healthy Blue | Medicaid

## You are invited: HEDIS, documentation, and coding education

You are invited to our webinars for network providers, coders, billers, and office staff. Earn a continuing education credit for each webinar!

Upcoming topics include:

- Improving the patient experience
- The role of CAT II Codes and risk adjustment in comprehensive care management
- E/M, medical necessity, and denial prevention
- EHR accuracy that improves quality and risk scores
- Intersection of chronic conditions and healthy nutrition
- Social drivers of health and cultural diversity
- Foundations of pediatric wellness: Ensuring excellence with EPSDT, childhood vaccines, and HEDIS® standards

Register with a smartphone or device. Use the following methods to register:
